

# KEEP OUR JOBSITE SAFE! COVID-19 BEST PRACTICES

## DO NOT ENTER AN OFFICE OR JOBSITE IF YOU ARE SICK OR IF YOU:

- Have been asked to self-quarantine
- Experiencing fever, cough, or shortness of breath
- Traveled outside of North America in the last 14 days
- Flown on a plane in the last 14 days
- Been in contact with someone with Covid-19 in the last 14 days
- Been in contact with someone in quarantine in the last 14 days

## WEAR A FACE MASK OR CLOTH FACE COVERINGS

- Wear a protective face mask or cloth coverings at all times on the site
- Covering should fit snugly but comfortably against the side of the face and should include multiple layers of fabric
- Any mask or covering should allow for breathing without restriction
- Gloves and eye protection should be worn at all times on the site
- Continue to wear any PPE required for various tasks (fall protection, hard hats, hearing protection) you are engaged in

## PRACTICE GOOD HYGIENE AND KEEP A CLEAN JOBSITE

- Wash your hands with soap for at least 20 seconds or use alcohol-based hand rub
- Avoid touching your face, eyes, food, etc. with unwashed hands
- Clean and disinfect frequently used tools and equipment on a regular basis
- Disinfect shared surfaces (door handles, machinery controls, etc.) on a regular basis
- Trash collected from the jobsite must be changed frequently by someone wearing gloves

## LIMIT EXPOSURE TO OTHERS WITH SOCIAL DISTANCING

- Keeping six feet distance from others
- Conduct meetings outside, with only key personnel
- Work in teams of no more than 10 people in one area
- Limit one trade at a time on a site
- Avoid sharing tools with co-workers
- Disinfect shared items before and after each use
